SUMMARY

Mechanical engineer seeking a position in a professional work driven environment, where I can utilize and apply my experience, knowledge and technical skills while working towards organizational goals.

EXPERIENCE

MACHINE OPERATOR, 11/2021 - 01/2023

Lakshmi Life Sciences Private Limited, Unit-2, Coimbatore, Tamil Nadu

- Carrying out tasks efficiently and timely according to SOP (Plastic Injection Moulding), production of medical component parts.
- Completing daily report of hourly production, process monitoring chart and log books accurately.
- Providing assistance to senior professionals in mould changing, material handling and maintenance.
- Ensuring primary quality check for every batch production.
- Reporting work-piece defects and machine malfunctions.

RETAIL SALES ASSISTANT, 04/2019 - 10/2021

Karimbanakkal Stores, Thrissur, Kerala

- My father's own business (Convenience store).
- Stock replenishment, packing, distribution, billing and payments.

DEMONSTRATOR (MECHANICAL), 10/2018 - 03/2019

K Karunakaran Memorial Model Polytechnic College, Thrissur, Kerala

- Assistant Lecturer in Mechanical Engineering in all academic curriculum activities.
- Developing teaching aid materials to promote active learning.
- Providing timely and accurate feedback to students in assessment, and arranging remedial sessions.
- Updating records of student attendance and assessment marks.

WARRANTY DEPARTMENT ASSISTANT, 05/2016 - 09/2018

Pinnacle Motor Works Private Limited, Thrissur, Kerala

- Authorized dealer of Nissan & Datsun passenger cars (Sales & Aftersales) in India.
- Performing normal and extended warranty claim procedures.
- Collecting data like images, video and audio clips, affected part availability and supporting documents for eligible warranty claims through investigation and trials.
- Preparing dealer technical reports with the help of service team for pre-authorization requests.

- Seeking advice from Nissan team, vendors, extended warranty team and surveyors on complex cases for claim processing and assisting them in dealer visits and audit inspections.
- Preparing monthly reports of all claims and payment settlements.
- Competent in creating repair orders for service vehicles and PDI vehicles in DMS portal.
