## MBANEME IZUCHUKWU STEVEN

Jumeirah Lake Towers (Goldcrest Views 2), Dubai.

### OBJECTIVE

Seeking a challenging position in an organization where I can utilize my analytical and technical skills obtained through my education as well as work experience and abilities that offers Professional and Career growth while being resourceful, innovative and flexible.

### SKILLS

- \* Attention to details;
- \* Good team player and organizational skills;
- \* Logistics management;
- \* Time management skills;
- \* Good retentive memory and sales techniques;
- \* Exceptional interpersonal and communication skill;
- \* Storage management and excellent planning skill;
- \* Ability to apply sound brand principles to principles to projects and campaigns.
- \* Customer service;
- \* Highly punctual and responsible;
- \* Leadership and products development ;
- \* Proficient keyboarding and Computer skills (Emailing, MS office, CAD).
- \* Analytical thinking skills and ability to work under pressure
- \* Public speaking and good standard of numeracy
- \* Carry out written and verbal instructions;
- \* Problem solving skill.

### INTERESTS

Writing, Reading, Drawing, Traveling, Basketball.

### LANGUAGE

English (Written and Verbal)

### EDUCATION

#### Federal Polytechnic Auchi, Edo State, Nigeria.

Passing Year - 2012 - 2017

Polymer Engineering Technology

Grades : **Key module:**

**Plastics Processing, Polymer processing and fabrication, Commercial polymer, Polymer Processing Engineering, Polymer Product Design and Manufacture, Plastic Processing, Polymer Chemistry, Morphology and Physical Properties of Polymer, Production Management, Industrial Management, Material Handlings, Engineering Management and Law, Polymer in Engineering Application.**

#### West African Senior School Certificate Examination (WASSCE)

Passing Year - 2005 - 2011

St. Michael's Boys' Secondary School, Anambra State, Nigeria.

### EXPERIENCE

#### Al Fujairah Cleaning and Detergents Tr. LLC, Sharjah, UAE

July, 2019 - November, 2021

Stall and Retail salesperson

Duties:

- × Prepares the inorganic chemicals and packing bottles for productions.
- × Mix the chemicals to make the desired detergents and quality standard.
- × Quality checking of the reaction of the chemical compositions of mixed products.
- × Perform stock alignment as necessary to improve inventory performance and accuracy.
- × Receives, stores, produces, tags, prepares products for delivery.
- × Develop and maintain good communication and relationships with customers and management,
