Packaging Product /Sales and Marketing , Quality Control,

Seeking Position: Sales and Marketing, Product Development/Quality Control

Respected Human Resource/Recruitment Manager,

Dear Sir,

I was motivated to contact upon learning that your Company may have an opening for any open position Sales/marketing field. 1 year or less I have focused my career path in Sales and Marketing from India to UAE learning the market and customers, gradually create valuable customer

To shortly introduce myself, my name is Mohamed Ameren Sha willing to explore market for several years serving my employer creating business contacts and valuable revenue.

My past 6 months job in India and currently here providing me confidence to grow with a progressive company like yours, I believe that I can successfully be a Sales lead business in UAE.

Looking opportunity to be interviewed and be part of your team

Sincerely,

Mohammed Ameen Sha K
