

Everyone Gets Satisfied

Company Introduction / Product Catalog

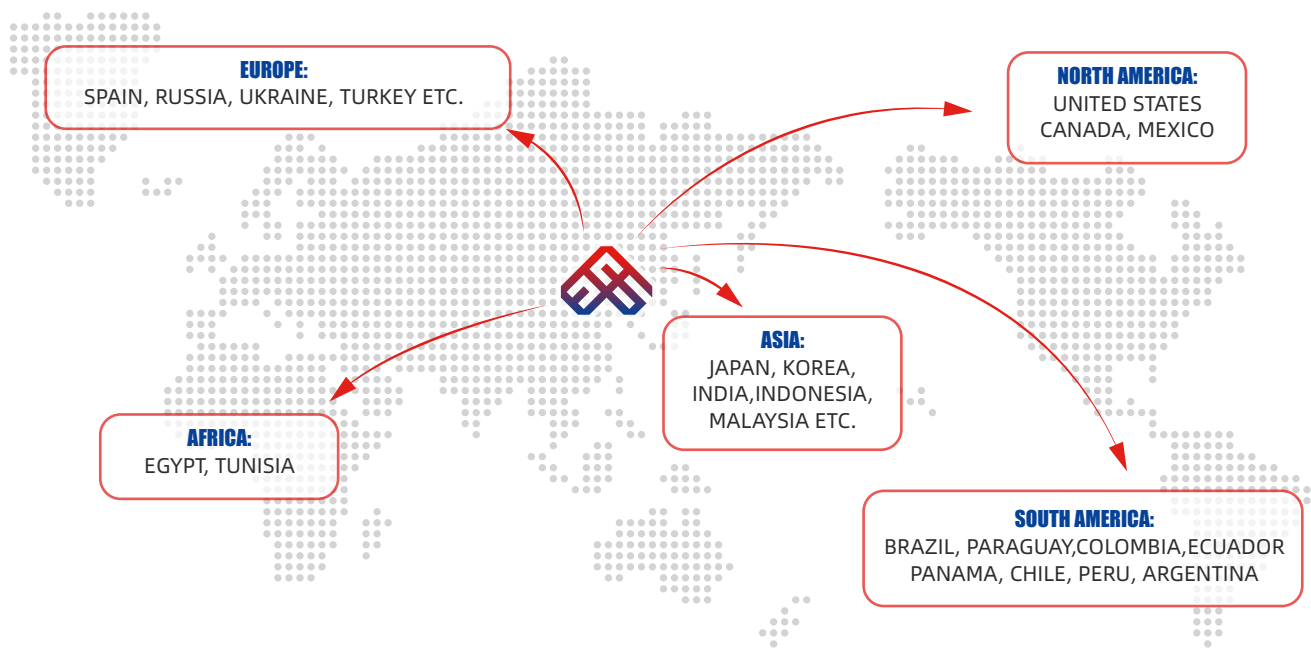

SHANGHAI EGS INDUSTRY CO., LTD

ABOUT THE COMPANY

Our Company

Shanghai EGS Industry Co., Ltd. is a professional enterprise that provides one-stop service for customers. Products cover food packaging materials and equipment, new biodegradable materials, automobile and motorcycle parts, printing material and equipment and other fields. Our business covers 88 countries and regions across five continents and more than 120 partners.

Development Of Company

The founder of the company has been developing domestic and foreign trade business in China since 1995, involving food packaging materials, medical supplies, biodegradable new materials and other industries. With the development and expansion of the company's business, Shanghai EGS Industry Co., Ltd. was established in 2022 to integrate the business as a team specializing in trade business. Relying on the business team and supply chain system integration in the industry with nearly 30 years of rich experience in the industry, we have established long-term and stable cooperative relations with a number of domestic and foreign customers. At present, our team has absorbed dozens of talents and partners from all over the world, and has several advanced production lines to meet the needs of different commodities.

Company Philosophy

“EVERYONE GETS SATISFIED” This is not just a slogan, but also a business philosophy throughout the company. The purpose of the company is to take customer satisfaction as the first element, and strive to create value for each customer, to create a reciprocal and win-win future!
