Personal Details

- Date of Birth : 28/03/2003
- Nationality : Indian
- Religion : Hindu, velaan
- Gender : Male
- Place : Chathannor, kollam

Objective

To secure an entry-level Mechanical Engineering position in a reputed organization that provides ample opportunities for professional growth and learning. I am seeking a challenging role where i can utilize my theoretical knowledge, practical skills and problem solving abilities to contribute to the success of the company while enhancing my technical expertise in the field of Mechanical Engineering

Education

- **A.K.M Polytechnic college, kollam** 2020-23
Diploma in Mechanical engineering
- **G.V.H.S.S chathannor, kollam** 2019-20
Commerce HSS
- **G.V.H.S.S chathannor, kollam** 2018-19
SSLC

TECHNICAL SKILLS

- AutoCAD
- MS office

Skills

- Self disciplined • Good team work • Positive attitude • Decision making • Time management • Team building

Languages

- English, Tamil, Malayalam

Projects

- **MULTIPURPOSE TROLLEY**
This project aimed to design and develop a manual multipurpose trolley that could be used for carrying light waste and cleaning floors. The trolley was designed to be lightweight, easy to makeover, and adjustable to accommodate different sizes of waste bags and cleaning equipment. The trolley was made of durable materials to withstand wear and tear. The traditional mechanically operated floor cleaning machine is most used in road, school, house, bus stand, mall, airport and other commercial place. This machine does not require any type of external source of energy for operating. The aim of present work is to design and develop process for cleaning the dry as well as wet floor manually. This mechanically operated floor cleaning machine is designed by keeping the basic consideration for reduction in cost and efforts while being environment friendly and easy to handle

Experience

- **Ashok Leyland, kollam** 2022 -
Technician
One year of experience as a technician at Ashok Leyland , kollam

INTERNSHIP

- Attended industrial training for a period of sixteen days at KSRTC Depot, pappanamcode Thiruvananthapuram
- Attended Ashok Leyland technician training at aluva, Ernakulam for a period of 7 days

Declaration

- I hereby declare that the details mentioned above is true to the best of my knowledge
