OBJECTIVE

Seeking an opportunity to secure a Responsible Career with your company and then use my education and past experience to help company meet and surpass both short and long-term goals.

WORKING EXPERIENCE

1. Quality Controller

Foodco Delicacies India (P) Ltd | November 2020- Present

Foodco Delicacies India (P) Ltd., is a multi-faceted food industry engaged in the processing and export of FROZEN food products. The Company works on two segments viz., Ready to Eat Indian ethnic food Products, Frozen Vegetables.

- My key roles are to ensure each and every production activity right from receiving the raw materials up to the dispatch point of the final product. This includes HACCP system, standard operating procedures (SOP's), incoming ingredient inspections, product scoring, food safety audits, field complaints, standardized work instructions. Product Quality checking (draws samples from all production lines at regular intervals of 2 hrs. for quality assurance), Food safety and Hygiene Inspections (a part of HSE)

2. Internship Trainee (Water Quality analysis)

Albio Technologies, Ernakulam, Kerala,| August 2020- October 2020
