

Mahmoud Sobhy Said

Mechatronics engineer

Contact

Address:

Al Ain _ Abo Dhabi _ UAE

Phone:

0557809514

Email:

Mahmoud.sobhy.said@gmail.com

Languages

Arabic : native

English : very good

Personal details

Date of birth: 15/10/1997

Birth place: Egypt

Nationality: Egyptian

Marital Status: Single

Summary

A Mechatronics engineer with knowledge of electrical, mechanical and computer engineering seeking for Finding a challenging opportunity in UAE. my educational background, and my projects in this field hope to enable me to take significant contributions at the organization that I will join and help me to achieve more progress and success.

Skill Highlights

Technical skills:

- Embedded c
- AVR Microcontrollers Architecture
- AVR MCU peripherals
- SolidWorks
- PLC
- CNC Machining

Programming and tools:

- C Programming language
- Data Structure
- MATLAB
- Proteus
- CAD
- Classic control

Personal Skills

- Effective Communication and Presentation Skills.
- Ability to work individually or in team environment.
- Interactive and fast learner.
- Innovative.

Education

(2017-2022)

Bachelor's Degree in mechatronics Engineering, Faculty of Engineering, Menoufia University.

Major : Mechatronics .

Accumulative grade: Good.

Graduation Project: CNC Laser Machine With auxiliary robot arm

Grade: Excellent.

Certifications

- fire fighting : **engineer's Home**
- HVAC : **EDX**
- Classic Control : **ETA Academy**
- PLC : **ETA Academy**
- Sheet Metal : **Robotech EG**

Experience

- Automotiv industry (customer care/experience management)
- Bodyshop Management Experience
- Mechanical Engineer Trainee at Bahgat group Egy
- Industrial safety

Projects

- Line Follower Robot
- Transporter Robot
- Car Avoiding obstacles
