**PROFESSIONAL OBJECTIVES**

To pursue a challenging career in the field of the Polymer Technology and be a part of progressive organization that gives a scope to enhance my knowledge and utilizing my skills towards the growth of the organization.

ACADEMIC RECORD

Degree	Institution	Board / University	Year of Passing	Percentage /CGPA
B. Tech (Polymer Technology)	Kamaraj College of Engineering and Technology Madurai	Anna University	2018	80%
HSC (Bio- Mathematics)	CEOA Higher Secondary School, Madurai	State Board (Matriculation)	2014	88%
SSLC	CEOA Higher Secondary School, Madurai	State Board (Matriculation)	2012	88.40%

TECHNICAL QUALIFICATION**Operating System:**

Working Knowledge in Basic Computer Software and Internet (MS Office, Windows 10, Origin Pro 9.0)

Technical Software:

Familiar with Auto CAD, CREO Parametric 3.0, CATICA, C, C++, Java, Oracle.

PROFESSIONAL EXPERIENCES

- **Lecturer** in the Central Institute of Plastic and Engineering Technology(CIPET), Madurai since from 2nd July 2019 to till to date.
- **Quality Head** in the Quality Department, Krishna Rubber Industries, Madurai, during thePeriod from 2nd May 2018 – 3rd June 2019.

AREAS OF SPECIALIZATIONS

Polymer Chemistry Structure & Bonding Organic Chemistry and Fuels	Polymer science
Electrochemistry	Plastic material and manufacturing
Engineering Materials	Polymer Blends and alloys
Water and its treatment energy sources and storage devices Fuels and Combustion	Rubber technology

AREAS OF INTEREST

- Research & Development.
- Testing & analysis of Polymer.
- Rubber & Plastic Processing.

IN-PLANT TRAINING

S.NO	NAME OF COMPANY	PLACE	DATE
1.	Falcon Tooling.	Coimbatore	07.11.17 to 12.11.17
2.	ADR Plastic.	Madurai	12.07.17 to 16.07.17

8.	Bharagave Rubber Pvt. Ltd.	Madurai	23.11.16 to 27.11.16

OVERSEAS EXPOSURE / VISITS

Visited Malaysia, Sri Lanka and Bangkok.

MINI PROJECTS

- **“Perylene Dye Based PMMA – Silica films”** at Kamaraj College of Engineering & Technology during 01.12.2017 to 15.12.2017.
- **“Automobile Rubber Product of Poly Tech Industry”** at Hi-Tech Arai Pvt Ltd in Madurai during 01.06.2017 to 15.06.2017.

ACADEMIC PROJECT

- **“Understanding the effect of Antidegradant on aging characteristic of rubber compound using DOE Tool”** at TVS Srichakara Pvt Ltd in Madurai during 1.12.2017 to 10.04.2018.
- **“Parameter Study on the effect of PET bottle wall thickness distribution using SBM Techniques”** at CIPET College in Madurai.

SEMINAR ATTENDED

- **Recent Trends on Advanced Materials**, on 30th March 2017- Kamaraj College of Engineering and Technology.
- **Dynamic Applications of Elastomers**, on 25th March 2017 Department of Rubber and Plastics Technology, Madras Institute of Technology campus.
- **Basic of Rheometry –Rotation**, on 27th June 2018 – conducted by Krishna rubber industry.
- **Rubber Product Manufacturing (RPM)** on 14th October 2016 - Kamaraj college of Engineering and Technology.
- International Ozone Day, on 16th September 2015 conducted by Tamilnadu Pollution Control Board.
- **Role of Plastics in Environmental Care & People,,s share**, on 23rd August 2015 conducted by Tamilnadu Rotary club Plastic Manufactures Association.

PRESENTATION

- **“Booming of Biotechnology”**, EUPHENICS’17, National level Technical Symposium on Headway in booming biotechnology, March 2017.

CREDENTIALS

- **Second Position in B.Tech (UG)** at College Department level.
- **Best contribution Achievement Award** in the field of Rubber Technology received from “All India Rubber Industry Association” - AIRIA-ET on 1st March 2018.
- **4th Position** in Quiz Competition, conducted by “National level Technical Symposium” EUPHENIC’S17 on 1st March 2017.
- **Best Spoken Achievement Award** for debate competition conducted by “National level Technical Symposium” ECHELON 2K’17 on 9th March 2017.
- **Best Achievement Award** for Proficiency in CATIA conducted by “Global CADD Education” on 19th September 2017.
- Got **Appreciation for preparing models from plastic wastes** on one day seminar on 30th March 2017.
- Got outstanding certificate in **“In focus campus connect business English program”**.

KEY RESPONSIBLE HANDLED

KRISHNA RUBBER INDUSTRIES

- Review operations and confer with technical staff to resolve production problems.
- Preparing production reports and personnel records.
- Monitoring the product quality according to the set standards.

- Analyzing production, quality control, maintenance to detect production problems.

CIPET

- Conducted the **Awareness program** for Yadava college for final year B.com regarding **Entrepreneurship**.
- Organized the **Essay writing competition** on Plastiko's 2019 on Nov. 2019.
- Taken more than 50 hours classes for VTC "**How to work with others effectively**".
- Acted as the **Admission co-coordinator** for VTC and LTC Team
