A B O U T M E

I am a collaborative and result-oriented individual garnering rich experience in the entire gamut of accounting & finance, with over three years of experience working as an article assistant in a major auditing firm. I have developed accurate computation, problem-solving and analytical skills to curate data from multiple sources and deliver precise financial records entailing from preparation & maintenance of statutory books of accounts and administering the finalization of year-end financial statement data.

I aim to work in fast-paced, growth-oriented organization, to carve out a responsible position where I can utilize my skills for personal and organizational growth.
