EXPERIENCE

Executive QC | Ravi Autos Sundar Pvt. Ltd. Lahore, Pakistan

2016 – 2020

I have worked with (Ravi Autos Sundar Pvt. Ltd. Lahore) As a Executive Quality in Quality control department from 5th May 2016 to 26th June 2020.

Responsibilities:

- Perform regular quality assessments on all incoming materials from vendors and outgoing products for shipping.
- Reject all products and materials that fail to meet quality expectations.
- Read blueprints, plans, and specifications to understand the requirements of products and services.
- Measure product dimensions, examine functionality, and compare the final product to the specifications.
- Recommend improvements to the production process to ensure quality control.
- Document inspection outcomes by completing detailed reports and performance records.
- Teach the production team about quality control concerns to improve product excellence.
- Supervise the production process.
- Resolve quality-related issues in a timely manner.

Ravi Autos Sundar (Pvt.) Ltd. is an ISO 9001-2015 certified company and is manufacturer of High Tech engineering components in following manufacturing technologies: **(a)** High Pressure Die Casting **(b)** Precision Machining CNC 3 & 4 Axis **(c)** Pumps Assemblies **(d)** Injection Molding **(e)** Sheet Metal Stamping **(f)** Precision machining of various forging and sand casting components.

QC Engineer | Honda Atlas Cars Pakistan Limited Lahore, Pakistan

2020– 2022

Responsibilities:

Reviews design, manufacturing, and testing documentation. Coordinates and performs inspections of raw materials and finished products, applying appropriate quality assurance testing models. Identifies the root cause of quality problems, and coordinates modifications or other corrective actions.

Honda Atlas Cars Pakistan is a Pakistani automobile manufacturer which is a subsidiary of Japanese car maker Honda. Founded in 1992, as a joint venture between Honda Motor and Atlas Group, based in Lahore, Pakistan.

Honda Atlas Cars Pakistan Limited (HACPL) marks the roll out of 500,000 vehicles at the Manga Mandi plant in Lahore.

The 2022 Honda Civic rolls off the assembly line at the 500,000 Car Launch Party. This outstanding achievement is a symbol of Pakistani customers' trust and strong support for Honda Pakistan.

The company will continue to play an important role in the country's automotive business. and demonstrates a commitment to long-term investment in the country.
