Self appraisal

Being a self made professional, I created my own interest in the subject and worked hard to accomplish my fortitude in perceiving high levels of knowledge in my profession and with this limited knowledge I am so enthusiastic and capable of embracing a challenging responsibility in my profession. Even though I cannot declare myself as versatile, profligate or astonishing I was and I am very compassionate to clients and this true compassion gives me courage and valor and the urge to acquire more knowledge experience and skills.

Goal

To work with an organization wherein I get an opportunity to apply the knowledge I gained through my education and diversified work experience
