## Profile

With five years of experience driving commercial vehicles for light vehicles, I possess extensive knowledge of traffic rules, defensive driving techniques, and various terrains. My spotless driving record, strong navigation skills, and commitment to safety ensure a secure and comfortable journey for passengers and cargo.

## Employment History

### Driver at Kulsha, Manama

Aug, 2021 - Nov, 2022

- Worked as a dedicated delivery driver for Kulsha, a renowned company specializing in product distribution.
- Successfully delivered a wide range of products to customers, ensuring accurate and on-time deliveries.
- Developed a strong understanding of delivery routes, optimizing travel plans to minimize delivery time and maximize efficiency.
- Utilized delivery management systems and technology to track orders, maintain delivery records, and provide real-time updates to customers.
- Demonstrated exceptional customer service skills, ensuring friendly and professional interaction with customers during product deliveries.

### Driver at STC, Hayat

Jan, 2020 - Mar, 2021

- Served as a driver for a prominent telecom company, responsible for transporting installation teams to residential locations for new connection setups.
- Acted as a reliable and punctual representative of the telecom company, contributing to a positive brand image and customer satisfaction.
- Assisted in other tasks related to installation operations as required, demonstrating the versatility and a willingness to support the overall success of the team.

### Driver at TAV Construction, Arad

Oct, 2018 - Dec, 2019

- Worked as a driver for TAV Construction Company, a leading organization specializing in the construction of airports and iconic buildings
- Collaborated closely with project managers and construction teams, effectively communicating and coordinating logistics to support efficient operations.
- Assisted in loading and unloading construction materials, equipment, and machinery, ensuring their secure transportation and placement at the designated locations.

### Driver at FAKHRO, Manama

Mar, 2018 - Sep, 2018

- Served as a dedicated driver for Fakhro, a reputable company specializing in maintenance services for restaurants.
- Safely and efficiently transported maintenance personnel and equipment to various restaurant locations, ensuring timely arrival and prompt response to service requests.
- Assisted in loading and unloading maintenance tools, machinery, and supplies, ensuring their secure transportation.

- Maintained a clean and well-organized vehicle, conducting routine inspections and reporting any maintenance or repair needs to ensure safe and reliable operation.
